

A PRODUCT OF DOTCOM ARABIA

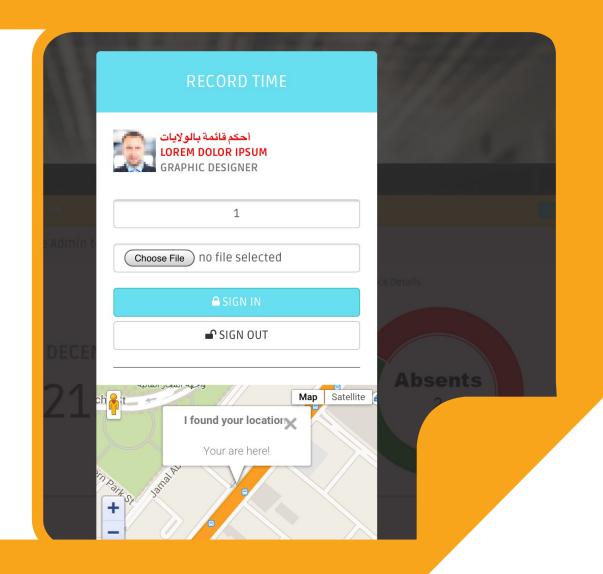

# A QUICK INTRO

eLAM is a complete Leaves, Attendance and Payroll solution that is literally

### 100% AUTOMATIC

Right from time capture, to detailed payslip that can also be downloaded as a password-protected PDF requires only 1 entry by the Employee (to record time, selfie and location) and 1 click by the Admin to run payroll for selected month.

**Everything else is calculated by the system itself!** 

## WHAT'S DIFFERENT

It is not only time that is recorded, selfie and location are also captured for better management.

### **1UU**% **AUTHENTIC DATA**

eLAM has been designed in such a way that there is no possibility whatsoever to manipulate any data. It is authentic every time, in real time.

The biggest difference is Arabic Support! Currently it is limited to Employees' Name and the full support to follow soon.
